The diagram illustrates a relationship between three functions. On the left, two white rectangular boxes with black borders contain the function names 'stamina_pot::add_stamina_pot' and 'stamina_pot::dell_stamina_pot'. On the right, a gray rectangular box with a black border contains the function name 'stamina_pot::Get_number_stamina_pot'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both 'add_stamina_pot' and 'dell_stamina_pot' depend on or call 'Get_number_stamina_pot'.
