The diagram illustrates a relationship between three functions. On the left, two white rectangular boxes are stacked vertically. The top box contains the text 'stamina\_pot::add\_stamina\_pot' and the bottom box contains 'stamina\_pot::dell\_stamina\_pot'. On the right, there is a gray rectangular box containing the text 'stamina\_pot::Set\_new\_number\_stamina\_pot'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both 'add\_stamina\_pot' and 'dell\_stamina\_pot' are associated with or point to 'Set\_new\_number\_stamina\_pot'.
